**Debut**  
 Modular Stage Systems

**NEW  
Product**

Introducing Topdeck Debut, a modular stage system designed to meet your performance and teaching demands. Debut is the simple solution that is packed with features to provide a safe and easy to use platform for all your star performances.

Topdeck Debut is ideal for small studios and classrooms and offers enhanced safety features so you can feel confident that your performers are safe and secure.

- Safe Grip textured tops offer improved traction
- Reduced step height for children
- Safety rails provide a barrier to keep performers secure
